A Little About Me

I am originally from LaGrange, GA but moved to Oxford, AL after marrying my college sweetheart, Ryan. We have been married for 11 years. We have a shy but sweet 6 year old daughter, Kinley and a rambunctious 4 year old son, Reade who will both be attending MES this year. We also have a black Labrador Retriever, Shep, and a cat, Bojangles. We recently built our forever home in Munford. Our family loves spending time outdoors together. Since moving to Munford, I have picked up a new hobby of beekeeping.. I have enjoyed the challenge...the stings not so much!

My Goal For This Year

This year, my goal is to encourage the impactful use of technology in the classroom that drives student skill development, creativity, critical thinking, collaboration, and agency while serving as a resource to our teachers.

My Education & Experience

This is my 15th year in education. I began teaching after earning a Bachelor of Arts in Art and Design and Master of Arts in Teaching from LaGrange College. I have taught 6th, 7th, and 8th Social Studies, Math, and STEAM. Three years ago I completed my Instructional Leadership Certification through the University of Alabama. I love learning!
