## A Little About Me

Hello M.E.S. Family! I am originally from Oxford but now reside in Munford! I am married to Josh and we've been married for 17 years. We have one son, Milo. Milo is 5 years old and the light of our lives! He is shy around most people but is our little "performer" at home.

He loves the movie, Wizard of Oz!

We live on a farm and have 10 cows that I treat as our pets! We should be having calves very soon! We also have one dog, Chloe, who is a yellow lab. We spend most of our time on our farm, playing and working. We also enjoy time on the lake and time with family and friends. In my free time, I love to shop especially at TJ Maxx, Target, and Dirt Cheap!

## My Goal For This Year

My goal this year is to partner with teachers to improve overall reading achievement by putting our students first and being a cheerleader and supporter for all things reading! I plan to support teachers in the implementation of SOR strategies and best practices.

## My Education & Experience

This will be my 16th year in education and my 2nd year as a Reading Coach. I've previously taught 1st and 2nd grades at Lincoln Elementary School. I obtained both my Bachelor's degree and Masters degree in Elementary Education from JSU. I have always loved teaching little ones to read and experiencing the "lightbulb" moment along with them. Reading is magical!
