Students are encouraged to work on their i-Ready Math and Reading Learning Paths at home.

If your child is absent from school for any reason, please send a note or doctor’s excuse within 3 day of your student’s return.

**HEADPHONE CHECK**

Please check with your child to make sure they have a working set of headphones. Students use headphones daily for instruction and will need them for our ACAP testing coming up in April.

What's Happening at MES?

PRE-KINDERGARTEN REGISTRATION
IS GOING ON NOW

Please scan the QR code for the flyer regarding PreK registration for the 2022-2023 school year! The flyer has a clickable link that will take you to the registration portal. Registration will be open from January 15 - March 8, 2022. Acceptance into the program is strictly through a random drawing. This drawing will be held on March 11, 2022, at 8:30 a.m. Email notices of acceptance will be sent in mid-April.

On March 2, 2022, MES Students will participate in one of the largest nationwide celebrations of literacy, Read Across America Day. In celebration of Dr. Seuss's birthday, green eggs and ham will served for breakfast, students and staff may dress up as their favorite Dr. Seuss character, and MMS FBLA members will visit our school as guest readers. To conclude their visit, the MMS FBLA will make a donation to the MES Scholastic Book Fair, to ensure that every student at MES receives a book at the 2022 Fall Book Fair.

Our 2nd - 5th grade students will be competing in "Giving the Green Light to Faster Facts" during the month of March to help increase math fact fluency school wide. Students will be using a new computer-based program called Reflex Math. The winning class in each grade level will earn time in the Green Slime Lab!
