2. Hold parent-teacher conferences as needed during which this compact will be discussed as it relates to the individual child's achievement. Virtual parent-teacher conferences are also accessible by utilizing Zoom and/or Google Meet.
3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports every four weeks in the form of progress reports and every nine weeks in the form of a report card.
4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents through phone calls, E-mail, and written notes or letters sent home with the student.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities. During the 2022-2023 school year, the Parent-Teacher Organization will be established in order to facilitate additional parent involvement within the school
6. Ensure regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand.
