Dear Students and Parents:

Welcome to the 2018-2019 school year at Munford Middle School. Middle School is an exciting, yet challenging, time of life for every student. At MMS we are dedicated to helping our students become 21st Century Learners. We hope to accomplish this through:

- One-to-one chromebook, 'MMS STRONG' and STEAM initiatives
- Emphasis on increasing each student's volume of reading
- Digital Portfolios to track student progress
- Live School implementation (digital app where teachers provide feedback on student behavior)

We believe that by placing emphasis on these areas we will create a safe, effective school environment as well as a spirit of cooperation among teachers, students, and parents in order to foster student success. When a student is successful in school, teachers, classmates, and parents all share the benefits.

The purpose of this handbook is to answer many questions students and parents may have concerning the day-to-day operation of Munford Middle School. In addition, many of the important guidelines for student conduct are also included. The middle school rules are intended to be reasonable, practical, and aligned with the school's vision and mission statements. Please read the contents carefully. Additional information can be found in the *Talladega County Schools Student Responsibilities and Privileges* handbook that was included in the online registration process. This handbook is also available at tboe.org. If you have any questions please do not hesitate to ask a teacher, the guidance counselor, or one of the administrators.

For students, making the most of their middle school education today is one of the best ways they can help ensure success in the future. We are looking forward to working with students, parents, faculty and community to create a safe and positive learning environment for the successful school year ahead. Thank you so much for your support!

Angel H. Carter, Principal

Amber Pressley, Assistant Principal

Bullying/Cyber bullying:

There is a lot of talk about bullying today... but what is bullying?

What is Bullying? Bullying has four elements:

1. **Pain**- Someone intentionally hurts a person in a physical, psychological or sexual manner
2. **Power**- The person who is bullying another is 'perceived' as more powerful than the victim
3. **Persistence**- it happens more than once; it is a repeated act
4. **Permission**- usually someone else knows about the bullying and allows it to happen by NOT taking action. These onlookers are called 'silent witnesses'.

What Bullying is NOT- Here are some behaviors that are often mistaken for bullying:

- **Arguments or conflicts**- A typical argument between two people is not bullying.
- **Choosing one friend over another**- Choosing friends and not spending time with people who are not your friends is not bullying
- **Being bossy**- While it is not fun to be around someone who is bossy, a student always wanting things their way/being bossy, is NOT bullying.
- **Telling a joke about someone**- It is never fun to be the butt of a joke, but there is a difference between making a joke one time and constantly making fun of someone.
- **Fighting**- One fight in and of itself is not a form of bullying. However, if someone continually picks a fight or attempts to pick a fight with another person, that is bullying.
- **Telling another person you don't like him/her or something he/she did**- Although this may not be easy to hear, it is not necessarily a form of bullying. It is someone communicating his/her feelings.
- **Acts of harassment, aggression, or unkindness that only happen once**- Bullying is a repetitive behavior. Therefore, something that happens once is not necessarily an act of bullying. Could it be harmful or mean? Absolutely, so inform school staff so it can be addressed through regular discipline procedures.

What do I do if my child is being bullied, based on the "What is Bullying?" description above:

1. Students and/or parents will need to complete a Student Harassment Report/Referral form
 - Form can be picked up in office, classrooms or in halls
 - Link to form can be found on school website (mms.tcboe.org)
 2. After completing form, meet with counselor and/or administrator(s) to discuss issue
 3. Counselor and/or administrator will then investigate issue and follow-up accordingly
- *Please note that based on federal guidelines (FERPA), school staff members are not allowed to discuss another child's discipline with anyone other than that child's parents/guardian***

Telephone Numbers: Main Office (256) 315-5235 Guidance Office (256) 315-5241 Fax (256) 315-5245

***Note:** The school office telephones are to be used only for school business and emergencies. Students will not be called out of class for phone calls. However, the office will take emergency messages and relay them to students.

Contact Phone Numbers

It is imperative that we have accurate phone numbers on file in the office. We often send home automated messages concerning school closures due to inclement weather, invitations to school events, etc.... Students with inaccurate contact numbers will miss these important calls. Please let the school know *in writing* when any phone number changes (work, home, or emergency contact) so we can update these numbers in iNOW.

Visitors

We encourage parents and /or guardians to visit the school. However, all visitors must report to the office before proceeding into other parts of the building. Visitors are not allowed to visit students or teachers during class time. No deliveries (flowers, balloons, etc.) will be accepted for students in the office.

Student Conferences with Administrator or Counselor

If students need to speak with an administrator, counselor or nurse, they should ask a teacher to email the appropriate person requesting a conference. As time permits, the student will be called to the office. To ensure student safety and to increase time spent in class, students will not be seen in the office without a pass. If an emergency arises, students may come to the office AFTER obtaining a pass from their teacher.

Complaints/Conference with Teacher

If a parent or student has a complaint against a teacher, **parents are urged to contact the teacher first, before contacting administrators.** Parents may call the school and request that a teacher return their call or schedule a conference with the teacher. The recommended times for a parent/teacher conference are before school, after school, or during a teacher's planning period. Parents will not be able to conference with a teacher during class time. No exceptions will be made.

Complaints/Conference with Administrator

If after conferring with a teacher, the issue has not been resolved, please feel free to contact an administrator. First and seventh period are the busiest times of the day at MMS. **For this reason we ask parents to schedule appointments with administrators between 9:00 and 2:00.** The administrator will investigate the issue and if needed, meet with the parents, teacher or appropriate staff member. This conference will afford a full hearing and review of all the facts in the case, and each party will be given full opportunity to present information vital to the resolution of the problem. Should the complainant not be satisfied, he/she will be referred to the appropriate personnel.

General School Fee

MMS has a school fee of \$10.00 which includes locker assignment and a grade level T-shirt. This fee can be paid at Orientation or given to the homeroom teacher during the first week of school. Grade level T-shirts will be ordered during the first few weeks of school.

Safety doors:

To better ensure school safety, our exterior doors will be locked at all times. Visitors should use the front entrance by the office when arriving on campus. There is a buzzer to the right of the glass entrance doors. In order to gain entrance into the building, please use the buzzer and wait to be 'buzzed in' by office staff.

Arrival and dismissal times:

- Students should not be dropped off before **7:30 a.m.** (adult supervision begins at 7:30)
- Students must be picked up no later than **3:20 p.m.** (adult supervision ends at 3:20)
- The presence of students on campus before 7:30 or after 3:20 **is not** permitted and may result in disciplinary actions. Exceptions include school-sponsored events when students are in the designated meeting area with their sponsor.
- In the event of an emergency, please call the school to make arrangements for your child's supervision.

For loading and unloading car riders before and after school:

- Car riders are dismissed at 3:00 and should be outside in line by 3:04.
- The first car in line should pull to the very end of the sidewalk for loading. Other cars will line up behind that car in a single line on the right side of the loading zone.
- The teacher on duty will have students load cars when ALL cars in the loading zone are at a STOP.
- When all cars in the loading zone are loaded, the teacher on duty will signal for those cars to exit.
- The next car in line should pull up to the far end of the loading zone and repeat the loading process.
- For safety purposes, **students are not allowed to walk into the parking lot.** Instead, all car riders must be picked up in the car rider line. Please do not park in the parking lot and walk across to pick up your child or signal for your child to come to your vehicle.
- If all other cars are ready to proceed and your child has not arrived in the car rider line, we will ask you to pull back around and go through the line again. To prevent this from occurring, please talk with your child about exiting the building in the afternoons as quickly as possible.

Bus and car rider notes:

A signed note must be sent to school if students will go home in a different manner from how they are typically transported.

- **The note must include the following information:**
 - Student's first and last name
 - Bus # and address where student will be dropped off (if bus rider)
 - Phone number where parent can be reached to verify change
 - Full name of parent/guardian requesting the change
 - Duration of transportation change (today, all week, every Friday, etc...)
- ***If the note cannot be verified, the student will be required to go home in the usual manner.***
- ***Requests for changes in transportation **MUST** be made in writing (note, email or fax). Please submit request **NO LATER than 1:00** the day of the transportation change.***

Check-ins and Check-outs-

- **Check-in Procedures- Students who arrive at school after 7:50 a.m. are tardy to school.** A parent/guardian must come into the office to sign in tardy students. Please note that 3 check-ins/check-outs equal an absence and will count against test exemptions.
- **Check-out Procedures- Check-outs are not allowed after 2:30 p.m.** Students must be signed out in the office by a custodial parent or an adult identified in iNOW as allowed to pick up your child. The adult must come into the office to check-out a student. Students will not be permitted to sign out on the basis of a note or phone call.

Unexcused absences

Students have 3 days to bring excuses to the office. After the 3rd unexcused absence, the school will mail home a letter asking parents to schedule a school conference so we may discuss attendance concerns. The 5th unexcused absence will result in an Early Warning referral and a truancy complaint will be filed. After the 7th unexcused absence, a court petition for truancy will be filed with the Juvenile Court.

Excused absences

Work can be made up for excused absences. However, it is the student's responsibility to ask their teachers for make-up work and make arrangements to hand in their missing assignments. Students are given 3 days to make up and hand in any missed assignments.

Emergency Drills

Due to the possibility of fire, tornado, local disaster, or a school lockdown, MMS conducts monthly drills to help prepare for emergency situations. Students should always follow teacher directions and move quickly and quietly in an organized manner.

Lost and Found

Please have your child write his/her name in coats, gym clothes, backpacks, etc... This will prevent items from being misplaced or sent to 'Lost and Found', which is located in the office. If students lose an item, they should check with the receptionist immediately. **All found items, which are not claimed by the owners, will be discarded monthly.** Students are urged not to carry large sums of money or wear expensive watches or jewelry to school. The school will not assume responsibility for lost or stolen items.

Medical Problems/Medication

If a student becomes ill or injured at school, the student should, if possible, ask his/her immediate teacher for a pass to see the nurse. All students who are to be administered medication must submit a School Medication Authorization Form. Students can request a form from the receptionist or school counselor. The form is to be brought to the nurse to be initialed, dated and filed with the medication. Students should sign the appropriate form when medication is given. **All medication must be brought in by a parent/guardian. At no time should a student have medication of any kind in his/her possession.**

Cafeteria

- The cafeteria is a place for students to eat a healthy meal while socializing with peers. Students are encouraged to eat the meal provided by the school and talk in a quiet and respectful tone.
- Students cannot bring sodas or commercially packaged food items into the lunchroom.
- No student can use the identification number of another student.
- Students will be assigned to sit in a designated section and should remain in their seat until it is time to throw away their trash.
- All students should clean their table and floor area before leaving the lunchroom. **No student should leave the lunchroom without permission from the teacher, principal or assistant principal.**
- No food or drink should be taken out of the lunchroom.
- Talladega County has a **NO CHARGE** policy. A letter is sent home with students when their lunch account is empty.

Announcements

Important information is provided through Daily Announcements. For this reason it is essential that students listen carefully to all announcements which are made via the intercom. In addition, students and parents can visit the mms webpage (mmm.tcboe.org) for additional information regarding after school practices, upcoming school events, special non-uniform days, club news, etc...

Textbooks and Library Books

Textbooks may be provided for students in some classes. Library books can be checked out from the Media Center. It is the responsibility of each student to care for these books. Any student who loses a book will not participate in school activities until the debt has been cleared. All lost books must be paid for before Field Day and/or final exams.

Hall Passes

Students must have a pass when in the hall. Students without a pass will be subject to disciplinary action.

Restroom Passes

Each class period lasts only 50 minutes. This means students and teachers must make the most of every minute in class. When students ask to leave class they miss valuable instruction time. For this reason, students are encouraged to use the restroom between classes. However, if an emergency should arise, students are given 2 restroom passes per grading period in each classroom. After these emergency restroom passes have been used, students will be considered tardy if they need to leave class. Please note that passes cannot be transferred or rolled over to another grading period.

Field Trip and Extracurricular Requirements

Field trips and extracurricular events serve as an extension of the curriculum and provide valuable learning experiences for students. **Students must meet the following criteria to participate in these events:**

- Students are expected to learn and abide by school rules and procedures.
- Students can have no suspensions and no more than three office referrals to participate in grade level or school-wide field trips (requirements may vary for club-sponsored field trips based on each club's specific criteria)
- Students must have no more than 3 unexcused absences, and/or 5 unexcused tardies.
- Students must not have any incomplete assignments and/or failing class averages.

Physical Education

- In order to fully participate in PE, **students are required to dress out each day** which includes pants/shorts, shirt and athletic shoes. Sperrys, sandals, flip flops, dress shoes, slip-ons, etc... are not acceptable footwear during PE.
- There is a PE locker fee of \$5.00. PE teachers will collect this fee in August. Each student will need to bring a combination lock for their PE locker. Each day when students dress out, they should place their school clothes in their assigned PE locker **and** lock the locker. **Students who don't dress out will receive a demerit in Live School for failure to follow school procedures.**
- Personal items and school materials are not allowed in the gym. These items should be placed in the student's regular school locker before coming to the gym each day.

Academics:

The first priority of each student at Munford Middle School is to be academically successful. By using the resources available at Munford Middle, this goal can be attained by all of our students.

- **Grading Scale-** A= 90-100 B= 80-89 C= 70-79 D= 60-69 F=59 – 0

E. GRADING STUDENT EVIDENCE OF LEARNING:

This year the county has implemented a new grading policy (Grades 3-12). Grades measuring student learning will be assigned to one of three categories:

<i>Measurement Level</i>	Gold	Silver	Bronze
<i>Percent of Grade</i>	<i>60%</i>	<i>30%</i>	<i>10%</i>
<i>Examples of Measures</i>	<ul style="list-style-type: none"> • Major Tests/Exams (Mastery of Standards) • Major Projects/Work Products (Application of Standards) • Represents Mastery of Standards or Application of Standards 	<ul style="list-style-type: none"> • Quizzes/Checkpoints • Small Projects • Represents Growth toward Mastery of Standards and/or Mastery of Pre-requisite Skills 	<ul style="list-style-type: none"> • Homework • Daily Grades • Minor Classwork/Projects • Programs • Represents Practice of Skills

Grades that report student demonstration of Life Skills/Behaviors that support learning (i.e. punctuality of assignments, collaboration, responsibility, conduct) will be reported in a separate category.

- **Test Exemptions:**

Test Corrections: In order to increase student mastery of standards, students will have the opportunity to make test corrections using the following guidelines:

- Allow students one (1) opportunity to correct a test.
- Students must schedule test correction time with teacher.
- Students must provide evidence to defend each answer for a corrected item.
- Student may receive a maximum of half (.5) credit per test item corrected.

ACADEMIC OSCAR– Students are assigned to Academic OSCAR if they fall behind in their class work or homework. Academic OSCAR allows students to catch up on assignments and receive partial credit.

- If a student is assigned to Academic OSCAR three times in a grading period, a letter will be sent home to inform parents. This letter must be signed/returned to school within three school days.
- After letter has been sent, any additional assignments to Academic OSCAR that grading period will result in an Office Referral for offense 1.07- continued refusal or failure to complete assignments.
- If a student is assigned to Academic OSCAR but does not report at the assigned time, he/she will receive a Class II Office referral for unauthorized absence from class (skipping)
- Students who have been absent for an extended period of time, may be assigned to Academic OSCAR to catch up on missing work (as a means of support, rather than disciplinary action).

Late Assignments- If completed assignments are handed in past the due date:

- One day late- students can receive **up to 75%** credit
- Two days late- students are assigned to Academic OSCAR and can receive **up to 50%** credit

NON-UNIFORM DAYS:

Although MMS has a daily dress code, we will have occasional non-uniform days as rewards and/or fund-raisers. Free non-uniform days might be given for outstanding behavior as documented in Live School, performance on STAR and/or Global Scholar assessments, winning school contests, participation in Homecoming dress up days, etc...

We will also offer **OPTIONAL** paid non-uniform days . On these days students may pay a specified amount (\$1.00-\$3.00) to wear non-uniform clothing items such as jeans, team shirts, hats, etc... Funds raised on these non-uniform days are for various charities such as the Muscular Dystrophy Association, Children’s Hospital, etc... We also use these funds to purchase food for our Thanksgiving Food Drive, new school equipment, etc...

If your child earns a non-uniform day and/or chooses to participate in paid non-uniform days, there are still some basic guidelines students will need to follow:
