- Talk about the test with your child. Encourage your child to do his or her best.
- Encourage positive thinking! Talk to your child about how to relax if they feel nervous (take deep breaths, etc).
- Adequate rest makes a big difference! Be sure your child gets a good night of sleep before each testing day. (at least 8 hours)
- Make sure your child eats a good breakfast at home or at school.
- Arrive at school on time.

Students will have the opportunity to earn tickets for incentives each day during testing. Tickets can be earned for prizes such as pizza parties, special prizes, gift cards, and more. Students will earn tickets for giving their best effort during testing and for attendance on testing days.
