

School Reopening Information:

We will be starting the school year using the Blended Model (Yellow). Please read below for important information and see the guidelines at the following link: [Blended Learning](#)

The deadline for opting for the Beacon Virtual Academy (BVA) is Friday, July 24. Link to register for Beacon Virtual Academy: [BVA Link](#)

If you registered your child for BVA, and you would now prefer for them to participate in the Blended Learning Model on campus, please email your child's name and school name to bva@tcboe.org.

Red Day	White Day
Students with last name beginning with A-J	Students with last name beginning with K-Z
Monday, Tuesday, every other Wednesday	Thursday, Friday, every other Wednesday

If students in your household have different last names they will come to school based on the day that the **youngest** member of the house attends.

Example:

If you have a Junior in your household with the last name Waldrop and first grader with the last name Bailey, your children would come to school on Red Day.

There is no need to call the school regarding these assignments. All Munford Schools worked together to compile reports based on addresses and/or last names and utilized data from the survey conducted on social media.

****Student groupings are subject to be adjusted to allow for the schools to operate at 50% capacity. Final group assignments will be confirmed when students receive their classroom assignment. These will be distributed during the week of August 10th. (More information will follow.)**
