

Talladega County Schools Photo and Video Release Guidelines

Throughout the school year, there may be times when Talladega County Schools staff, the media, or other organizations, with the approval of the school principal, may take photographs of students, audio/videotape students, or interview students for school related stories in a way that would individually identify a specific student. Those photographs and/or videotaped images or interviews may appear in District/School publications, in District/School video productions, on the District/School website, on District authorized social networking sites such as Facebook or Twitter, in the news media, or in other organizations' school related stories or articles. To authorize your child's photograph and/or videotaped image or interview to be used for these purposes and/or the release of your child's first initial and last name (7-12), first name (not last) (K-6), identifiable group picture, and property such as artwork, poetry, essays, performances, etc. to be used on Talladega County Schools' publications, please indicate agreement on the online registration system.
