Late Work Policy

Late work will be accepted, but there will be 10% taken off each day it is late. Work will not be accepted more than 5 days late. After 5 days late, the zero in the grade book for the said assignment will be permanent.

Make -Up Work Policy

Students will need to complete and turn in any work they have missed within a 3 day time period of their return. If the assignment is not turned in within that 3 day time period, the student will lose 25% of their total points each day work is not turned in.

Grading Side Note

If a student is absent from an assignment/is late turning an assignment in, there will be a zero in the computer until the assignment is turned in. That does not mean that the student will not receive credit, but the zero will serve as a placeholder until the assignment has been turned in.

Test Corrections:

Test corrections -for half credit- will be offered for ALL GOLD EXAMS only. If a student makes a "C" or below they will be REQUIRED to complete test corrections. If a student makes an A or B, corrections are OPTIONAL.

THERE WILL BE ABSOLUTELY NO CELL PHONES IN THIS ROOM! THEY WILL BE TURNED IN TO THE OFFICE WITH A REFERRAL.
