## Strategic STEAM Plan

### 2018-2019

**Goal 1: All students will have regular opportunities to engage in STEAM-centered instruction.**

#### Anticipated Evidence:

- Master Schedule for STEAM and Makerspace Lab
- Evidence of inquiry-based, cross-curricular instruction documented in classroom lesson plans

**Goal 2: All teachers will have regular, embedded professional development opportunities through collaboration with the STEAM and Makerspace teacher as well as through monthly grade level meetings and professional development sessions.**

#### Anticipated Evidence:

- Master Schedule for STEAM and Makerspace Lab
- Monthly PD sessions focused on STEAM integration (agendas/sign-in sheets)
- Regularly-scheduled grade level meetings and house planning sessions

**Goal 3: Parents and stakeholders as well as other educators will be provided with frequent communication related to the school's progress towards the integration of STEAM as well as regular opportunities to engage with teachers and students in STEAM-related activities and events.**

#### Anticipated Evidence:

- Monthly School Calendar/Newsletter (posted to website)
- Social Media (Facebook/Twitter) and School Website
- Evidence of parent and community events including STEAM Family Night, STEAM Career Day, Title I Annual Meeting, Coffee and Collaboration, Student Led Conferences
- Shared learning experiences with educators from various school districts to provide opportunities for instructional growth in the area of STEAM
