

Meet Your TEACHER

The Basics

My name is Mrs. Sherry Vermilyer (Coach V.) and I am very excited to be your child's ELA teacher! I was born and raised in Northern Indiana. I have also lived in Panama City Beach, FL before moving to Alabama. I am married to Scott and have four grandchildren. We live with two Savannah cats and three fish. I love going to the mountains, playing golf, spending time with family and traveling, whenever I can!

This is my thirteenth year at Winterboro High School and my 15th year of teaching overall! I am Winterboro's varsity volleyball, track and bowling coach.

Our Classroom

My goal is to help your child learn and grow while having lots of fun, too! In this class, we are a small community of teammates that help and accept one another. I believe that valuable learning occurs when children feel comfortable and happy in their classroom. I look forward to getting to know your child and the support system that surrounds them. Everyone has individual needs and goals and I am dedicated to your child's individual success!
