

Learn from Home Resources

Dear Parents,

In addition to having access on the Clever site to numerous programs we have purchased, many companies have also compiled free learn at home resources for students to use during school closures. We encourage you to utilize these programs with your child during this time:

- Curriculum Associates: Ready Reading and Ready Math Learn at Home Resources: [i-Ready.com/AtHome](https://www.READY.org/AtHome) (Scroll down to the printable at-home activity packs)
- Scholastic Remote Learning Resources: www.scholastic.com/learnathome (Scroll down to your child's grade-level units)
- Mystery Science: <https://mysteryscience.com/school-closure-planning> (Choose lessons for your child's grade-level)
- Breakout Edu: <https://www.breakoutedu.com/funathome> (Choose activities based on your child's grade-level)
- Creosity Space: <https://www.creosityspace.com/spring2020.html> (Access STEM activities at home without creating an account on the left-side of the home page or create an account for more access.)
- Discovery K12: <http://discoveryk12.com/dk12/> (Create a free account)
- Khan Academy: <https://www.khanacademy.org/about/blog/post/611770255064350720/remote-learning-with-khan-academy-during-school> (Under Parents, click on daily schedules and click the blue lesson links for your child's grade-level.)
- EBLI: <https://eblireads.com/non-fiction-read-alouds/> (Sign up for daily read-alouds lessons with an instructor each day from 1:00-1:45 pm or to have the lessons emailed to you.)
- Fluency and Fitness: <https://fluencyandfitness.com/register/school-closures/> (Sign up for a free account for your child to practice math and reading skills that incorporate movement while learning.)

Please check our school website: tcboe.org/mes and the "For Parents" Tab on our website frequently for new resources or information we may continue to share.
