

B. B. Comer Memorial Elementary School

Vision

At B.B. Comer Elementary School we are learning and leading through Innovation, Community, and Technology.

Mission

Together...Inspiring, Learning, Leading

Beliefs

We believe all students can be successful when given equitable opportunities to embrace new ideas, gain and apply knowledge, work together with common interests and goals, and integrate technology to enhance learning.

Innovative Learning

Objectives

- Prepare learners with the knowledge and skills to be successful college and career ready students.

Critical Initiatives

- Identify and apply for external resources and partnership opportunities.
- Provide professional development for faculty and staff on STEAM and technology integration.
- Invest in curriculum, materials, and supplies that support the instructional practices of STEAM and technology integration.
