

B. B. Comer Memorial Elementary School

Vision

At B.B. Comer Memorial Elementary School, our vision is to develop well rounded, confident, and responsible individuals who aspire to achieve their full potential. This is achieved by teaching and leading through Innovation, Community, and Technology.

Mission

Together...Inspiring, Learning, Leading

Beliefs

We believe all students can be successful when given equitable opportunities to embrace new ideas, gain and apply knowledge, work together with common interests and goals, and integrate technology to enhance learning.

Content Proficiency

- Objectives**
- Provide students with adequate curriculum, resources, and support to achieve proficiency and reduce learning gaps in all content areas.

- Critical Initiatives**
- Implement specific content strategies to increase student engagement and achievement.
 - Invest in curriculum, materials, and supplies aligned with instructional practices specific to content areas.

Personalized Learning

- Objectives**
- Provide more engaging, individualized learning opportunities to all students to ensure success occurs in all content areas.

- Critical Initiatives**
- Implement personalized learning strategies and programs to increase student achievement.
 - Invest in curriculum, materials, and personnel that provide individualized learning opportunities to all students.

Innovative Learning

- Objectives**
- Prepare learners with the innovative knowledge and skills to be successful college and career ready students.

- Critical Initiatives**
- Support teachers with implementing and incorporating 21st century skills and Project Based Learning/ STEAM Activities.
 - Invest in curriculum, materials, and supplies that support the instructional practices of STEAM and technology integration.

Environment and Culture

- Objectives**
- Develop an environment that fosters the academic, social and psychological development of all students.
