

Lincoln Elementary School PTA Membership Form

The PTA is excited to have the opportunity to support the teachers and students of Lincoln Elementary. With so many unknowns this year we know that fundraising is going to be difficult. We also know that activities that we normally plan for may look a lot different, but we hope when our teachers have a need to help our children that we are able to be there for their support. We hope you will become a member of the PTA for this school year. Your PTA involvement and support will help fund many educational and extracurricular activities.

Volunteer Opportunities

Normally there are volunteer opportunities available for everyone, with events scheduled throughout the school year. However, this year we are not sure what these things will look like, but when we are given the opportunity we would like to be ready to step in and help. Keep in mind that most events require multiple volunteers to make them happen. Even if you can only volunteer for one event, your help will be greatly appreciated. For those of you who are able to volunteer for multiple events, we would encourage you to do so.
