August 11, 2022

Dear Parent,

We are partnering with Alabama Childhood Food to help fight the hunger in our community. The program will provide children with bagged food to assist those who may not receive adequate meals on the weekends. This nondescript bag will be sent with the child on Friday afternoons as they board the bus or leave school. There is a life event card in the bag that is from ACFS, not the school, encouraging children and families in their walk of life.

The program will assist as many students as possible. We are asking that you please complete the form and return it to your child’s teacher if you believe your family is in need of this service. We will review the information that is submitted and determine who we can assist. We hope to assist more children in need as funding becomes available. Please contact Marianne Garrett, School Counselor at Sycamore Elementary School for more information.

Student name _____

Student Address _____

Student Home Room Teacher _____

Names of other children in family and school attending, plus their home room teacher’s name, so they can get food bags also.

____ My Child receives free lunch

____ My child is transported by bus

____ My Child receives reduced lunch

____ My child is transported by car

____ My Child receives full priced lunch

____ **Yes I am interested in this service**

____ **No, I am not interested in this service**

Parent Signature _____

***Due to various food allergies, please screen all items before consuming.**
