Important Notes for Parents:

Transportation:

- **Morning Drop-Off:** Begins at 7:30 a.m. Students may not be dropped off in the front parking lot to cross moving traffic. This is a safety hazard. If a parent needs to park and come to the door, he/she should park in the parking lot on the hill.
- **Afternoon Car Riders:** All car riders should be picked up no later than 3:10. All vehicles must display a school hangtag in order to pick up a student in the car rider line. If you do not have your tag, please park and buzz the front door.
- K-5 parents may not drop off/pick up students in the bus parking lot at any time. This is a safety concern and a traffic violation.

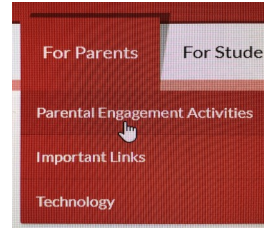

Medications:

All medications must be signed in with the nurse by an adult. Medications cannot be sent to the school with a student.

What's Happening at MES?

Be involved!

Many of our face-to-face activities will be held virtually this year, but as always, your participation will benefit the school, your child's experiences at school, and you as you learn more about how to support your child's learning.

Please go to our school website @ mes.tcboe.org and click on the **Parents** tab. Then, look for the **Parental Engagement Activities** link for surveys, videos, and other ways you can participate this year.

We need your support in the following parental involvement activities that can be found on our school website:

Annual Title I Meeting & Title I Parent Survey

All Parents—Please access the Parental Engagement Activities link on our school website between Sept. 2 - Sept. 9 to watch the Title I Meeting video and to complete the Google Form acknowledging your participation to be entered in a drawing for a \$25 gift card.

1st—5th Grade Parents Only: If your child attended M.E.S. last year, please access the Parental Engagement Activities link on our school website between Sept. 2 - Sept. 9 and complete the Title I Parent Survey to also be entered in a drawing for a \$25 gift card.

(If you require a paper copy of either of these events so you can participate, please call Debby Smith, Title I Coordinator, @ 256-315-5210.)

The purpose of the Title I meeting is to inform you of your child's school's participation in Title I, to explain the requirements of Title I, and to explain your rights as a parent to be involved.

Please plan to participate.
