What's Happening at MES?

To All Veterans

We regret that we will not be able to host our annual Veterans' Day program this year, but our love and appreciation for all of our veterans remains strong.

Thank you for your service!

During the month of November, we hope you will reflect with your child on things for which they are thankful for this year.

We, at Munford Elementary School, are thankful for the opportunity to work with your child. We appreciate you, our students' families, for being great partners with us in your child's learning experiences.

Please remember that students have school work assigned to them on red days and white days. On the days they are assigned to be at home, the students have paper or online assignments to complete that are important to their success this year. Please reach out to your child's teacher if you are not sure what your child is assigned to do at home on their virtual days.

FLUENCY

I can read accurately, with expression, and understand what I read

Have your child work on their reading fluency everyday at home.
