MES Loves Our Parents!

Thank you for your continued support!

Welcome Back for Second Semester!

Students worked hard first semester and have consumed many of their school supplies. Please replenish your child's school supplies for second semester.

Chromebook Reminders

Please remind your child to take care of their Chromebooks by keeping them free from spills, not writing on them with pencils or crayons, not sticking anything in the headphone jack except for headphones, not putting stickers on them, and keeping them away from pets. Please have your child report any accidental damages to Mrs. Waites immediately and to never try to fix minor damages themselves.
