

MUNFORD ELEMENTARY SCHOOL

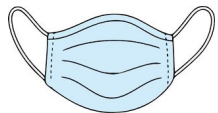

September 2021

All transportation changes must be sent in writing and given to the teacher at the beginning of the day. Due to COVID restrictions students cannot alternate between buses day to day.

If your child is absent always send a note to the teacher upon return. If the absence is due to COVID we request you notify our school nurse. If your child is identified as a close contact or was COVID positive, please still send a written note or doctor's excuse so we can ensure it is coded correctly.

Effective August 30, 2021

Mask must be worn by student (K-5), faculty, staff, and visitors at MES per Talladega County Board of Education mandate.

What's Happening at MES?

MES will be hosting the annual Book Fair September 3 -10, 2021. Students will have the opportunity to visit the Book Fair with their class. More information will come home with students soon!

This school year all students, PreK - 5th grade, are getting an exciting opportunity to attend a STEAM class weekly. STEAM stand for Science, Technology, Engineering, Art, and Math. STEAM learning gives students tools and methods to explore new and creative ways of problem-solving, displaying data, innovating, and linking things they are learning in regular class. It teaches them how to think outside the box!

MES students will be finishing up their i-Ready Diagnostic Assessment early this month if they have not already. This diagnostic test provides teachers with valuable information to guide instruction and personalize supports for your student's growth in reading and mathematics. Students are encouraged to work on their i-Ready Learning Path at home.
