

MUNFORD ELEMENTARY SCHOOL

FEBRUARY 2023

Individual and class pictures will be taken as well as Kindergarten cap and gown pictures on February 10, 2023. No money is due on the day of pictures. Proofs will be sent home with package prices.

Please check with your child to make sure they have a working set of headphones. Students use headphones daily for instruction and will need them for our ACAP testing coming up in April.

The school will not accept Valentine's Day deliveries for students. Please do not order deliveries for balloons, flowers, stuffed animals, etc.

GOOD LUCK to our archery team at Regionals!

What's Happening at MES?

We are excited to host our 2nd semester family night on February 2, 2023 from 5:00-6:30 PM. Students are encouraged to dress up as their future career. Math, Reading, and STEAM stations will be set up throughout the school for families to visit and earn punches on their mission card. Cards will be exchanged for a prize at the end of the night. Parents will also be entered into a gift card drawing for supporting their student(s) on family night! ALL MES students have an opportunity to earn a small prize for returning the detachable slip on the Mission Possible invitation to school.

In an effort to increase reading fluency schoolwide, Kindergarten - 5th grade classes will participate in a February Fluency Challenge lasting the entire month. Students will work as a class to earn hearts for their reading. Students have the opportunity to earn hearts by showing growth or benchmarking on their progress monitoring DIBELS assessment as well as completing their weeking reading fluency homework. The winning class in each grade will be rewarded.

On February 27, 2023, Twenty-six of our students will represent MES at the Virtual Regional ACTE Tech Fair. Students whose projects place 1st or 2nd in their respective category will qualify for the state competition. We wish all of our students luck!
