What's Happening at MES?

Please mark your calendars for ACAP testing that will begin on April 4.

4/10/23 - 4th Grade Science Testing

4/11-4/17/23 - 4th & 5th Grade ELA and Math Testing each morning

It's very important that everyone gets a good night's sleep and arrives at school on time so they can eat breakfast before testing begins. Also, because we cannot disrupt the tests once they begin, check-ins nor check-outs will be possible during testing.
