# MUNFORD ELEMENTARY SCHOOL

2023 DECEMBER

Accelerated Reader

Ask your child about their 9-weeks and end-of-the-year goal for Accelerated Reader. Encourage them to READ, READ, READ! Students should be reading 15-20 minutes every night and should pass at least 1 AR test per week.

UPCOMING E-LEARNING DAY
STUDENTS WORK FROM HOME

Students will return to campus from Winter Break on January 8, 2024. However, students will participate in E-Learning Days January 4th and 5th. E-Learning packets will go home with students on December 14, 2023 with directions and expectations for E-Learning Days.

Report Card Information

Report cards will go home with students when they return on January 8, 2024.

What's Happening at MES?

The Alabama Family Guide for Student Reading Success

Scan for The Alabama Read-at-Home plan.

One of the most important predictors of a child's academic and future success is the ability to read by the end of third grade. Everything that happens in your child's life in the early years has a lasting impact on their future potential. Families are essential in setting high expectations for learning and encouraging their child's academic achievement, growth, and success! Your active participation and partnership with your child's teacher and school, along with reading support at home, is critical to their success in meeting the assessment standards established in Alabama. Scan the QR code for The Alabama Read-at-Home plan that includes activities to help your child practice the foundational components of beginning reading.

December 4 - 10, 2023
Computer Science Week at MES

All students will participate in Computer Science activities during the week of December 4-10 in their classroom and through their weekly STEAM classroom. Students will participate in unplugged activities, coding & programming, Tynker lessons, robotics challenges, and Hour of Code.
