

# Charles R. Drew Middle School Newsletter

Go Bears!!

Fall Newsletter

## #theDREWway

### Vision

To provide a challenging, rigorous curriculum empowering all students to be successful in the 21st century.

Students in Mrs. Howard's STEAM class are using the collaboration stations to record their "What does an engineer look like?"

Students in Coach Kilgo's Civics class practiced simulations as they posed as Washington crossing the Delaware River!

### Mission

To provide teaching and learning in a safe, supportive environment that prepares students to think critically and solve real-world challenges.

The "Perfect Pyramid Challenge" really pushed students in Mrs. Bailey's Math class to think critically!
