### Health & Safety Protocols

- **Cleanliness & Hygiene Protocols**
  - Daily cleaning/disinfecting of classrooms, restrooms, common areas, desks, doorknobs, etc. with backpack sprayers and other CDC approved supplies.
  - Hand sanitizing stations throughout all buildings
  - Handwashing/hygiene routines throughout the school day
  - Wearing of face masks/face shields as required by the Governor’s health order; students 6 years old and under are not required but encouraged to wear masks
  - Daily temperature checks of all students and staff

- **Physical Distancing Protocols**
  - Line spacing, staggered and/or one-way class changes
  - Classroom seating arrangements
  - Limited/no contact sports in PE, etc. and limited/no locker room access

- **Child Nutrition Protocols**
  - Meals consumed in classrooms or in the cafeteria (½ capacity due to blended model)

- **Transportation Protocols**
  - Buses at ½ capacity due to the blended model
  - Masks required on buses; encouraged/not required for students 6 years of age and under
  - Group A students on Monday, Tuesday, and Alternating Wednesday
  - Group B students on Alternating Wednesday, Thursday, and Friday
  - Assign students to seats with members of the same household
  - Stagger bus loading and unloading
  - Twice daily sanitizing of school buses following morning/afternoon routes

- **Parent/Guardian Protocols**
  - Monitor the child's temperature each morning. Students with temperatures of 100.4 or higher should stay at home & consider COVID testing if no other explanation.
  - Monitor for the following COVID symptoms every morning and keep the student home if present: cough, congestion, shortness of breath, or gastrointestinal symptoms.
  - Teach and reinforce proper handwashing, coughing into elbow/tissue; not sharing personal items/supplies; self-reporting any symptoms to teacher/nurse.
  - Notify the school immediately if the student is exposed to COVID, the student is tested for COVID, or a household member tests positive to COVID.

- **Confirmed Cases of COVID-19**
  - As school officials become aware of positive cases, parents and guardians will be notified.

---

*The blended learning model (yellow phase) will be reviewed after 6 weeks to determine the appropriate phase moving forward.*
